Refunds

Requests for refund of registration fees must be submitted in writing to GSA. To obtain a full refund, requests must be submitted prior to the player attending practice or participating in a game, and state insurance submission. If a player has attended practice and/or participated in a game, the refund request will be evaluated by the GSA on a case-by-case basis. Late refund requests may be denied entirely or may consist of a partial refund to cover insurance costs to SDSSA.

Petitions

GSA will entertain petitions by parents to move their player up one age level. Parents interested in doing so must submit their request in writing to the GSA. Petitions are granted on a case-by-case basis and may depend on a variety of factors such as team size & numbers, player age & ability, or parental reasons given. This must be done prior to the beginning of each and every season. GSA's liability insurance does not allow for players to petition down an age level.

Fundraising & Donations

Fundraising and donations will be used for existing field developments including lighting and maintenance as well as completing the new multi-use building and field expansion expenses.
